California Hub and Spoke System Presents

TRAINING EVENT ~ SOUTHERN REGION

Science and Practice of Treating Patients with Pain and Opioid Use Disorders

PRIMARY CARE CHALLENGES:

CHRONIC PAIN, OPIOID DEPENDENCE AND ADDICTION

Addiction and pain specialists often make crisp distinctions between patients with opioid use disorder and those using opioids for pain -- and primary care providers are often caught in the middle.

This learning session offers state of the science presentations, case discussion, and opportunities to learn from peers.

SAN BERNARDINO, CA

SEPTEMBER 26, 2018

10AM - 2PM

Molina Healthcare,
Aliso Conference Room
550 E. Hospitality Lane, Suite 100

LEARNING OBJECTIVES

This 4-hour session will focus on the current understanding of the nexus of Pain and Addiction. Participants will:

- Describe three (3) research-based practices to treat pain and addiction.
- List three (3) misconceptions regarding opioid use and addiction.
- Discuss three (3) evidence-based clinical guidelines for effectively treating pain and addiction.
- Demonstrate application of key learning points by active participation in group discussions in clinical case examples.

This event is a Pre-Conference to

Community Health Association
Inland Southern Region

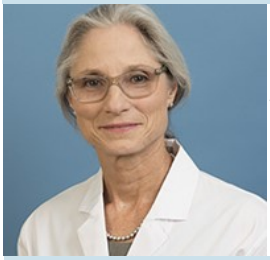
2018 Biennial Symposium

September 27th San Bernardino, CA

We strongly encourage medical providers to attend both events.

SEPARATE REGISTRATION IS REQUIRED FOR EACH EVENT - Click here for more info

Presenters



Karen Miotto, M.D.

Director of the Addiction Medicine Service, UCLA

Dr. Miotto will present a clear and clinically relevant review of the science of pain and addiction.

Keith G. Heinzerling, M.D.

Medical Director of the UCLA Center for Behavioral and Addiction Medicine.

Dr. Heinzerling will provide an overview of his experience treating patients for pain and addiction in primary care practice at the UCLA Family Health Center.

CMEs and other CEs will be provided at NO COST!

The training course meets the qualifications for the provision of four (4.0) continuing education credits/continuing medical education credits/contact hours (CEs/CMEs/CEHs).
