Community Health Association Inland Southern Region is awarded a Covered California Grant

San Bernardino, CA – The Community Health Association Inland Southern Region was awarded a Covered California Navigator grant on Friday, May 24, 2019 to educate consumers about their health care options, offer in-person enrollment and renewal assistance and provide ongoing support to consumers enrolling into health plans through Covered California.

“We are partnering with experienced and trusted agencies, which represent the diversity of our state, to make sure every person knows about the financial help and quality coverage that is available through Covered California,” said Covered California Executive Director Peter V. Lee.

The Community Health Association Inland Southern Region will be partnering with four of their health center members: Borrego Community Health Foundation, Morongo Basin Community Health Center, Mission City Community Network, Inc., and Unicare Community Health Center, Inc. to assist individuals and families in Riverside and San Bernardino Counties.

Covered California's press release announcing their intent to award in preparation for 2020 and beyond is available online at <https://www.coveredca.com/newsroom/news-releases/2019/05/24/covered-california-announces-grants-to-community-based-organizations-across-california-in-preparation-for-2020-and-beyond/>
