

# SPRING HAS SPRUNG!

Celebrate the prettiest season of the year by coloring the flowers below. If you can, draw pictures of your family members or write their names inside each flower. You can draw your friends or write their names, too! Everybody counts.

**In California,  
all kids count.**

**Hey, adults!** Have you heard that the 2020 Census is coming up? When you complete the Census for your address, make sure to include children on the form. And not just children related to you, but any kids that live at your address. That means your children, grandchildren, nieces, nephews, and the children of any friends or relatives staying with you. Babies count, too!
