How to Become a Fresh Start Patient

Lupita Morales 760-448-2025 or Lupita@FreshStart.org

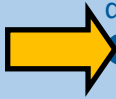

Infant, child, or teen
must have a physical
or cosmetic
deformity caused by birth,
disease, accident or abuse.

**Must be uninsured or
partially uninsured**
Certain insurance companies
follow strict guidelines as to
what services they will cover.

**Demonstrate financial
hardship**
Would a prospective patient
suffer financial hardship if they
paid out-of-pocket for care?

Fresh Start Medical Staff
Meet and put together
application packets to
present to MPC.

Fresh Start Medical Staff
Go through each application to
ensure criteria is met.

Apply
Contact us for an application
and submit.

**Medical Program
Committee**
Made up of volunteer
surgeons, dentists, nurses, and
other medical
professionals; meet every
other month.

Committee Meeting
Review applications and
decide which cases we may
accept and what the course of
treatment will be.

**Welcome to the Fresh Start
Family!**
Patients that meet criteria and
have conditions for which we
have the resources to treat
receive medical care.
